22:47:24 [main]   You are not running with administrator rights! This will work for
22:47:24 [main]   most application stuff but whenever you do something with services
22:47:24 [main]   there will be a security dialogue or things will break! So think
22:47:24 [main]   about running this application with administrator rights!
